

## Validation / Verification Process

At Green Sky Sustainability, we follow a clear and transparent process to ensure the highest quality in every validation and verification engagement.

### Pre-engagement

- We begin by confirming project details and making sure there are no conflicts of interest.

### Engagement

- A formal agreement is established with clear scope, responsibilities, and timelines.

### Planning

- We prepare by gathering resources and developing a tailored plan with the client.

### Execution

- Our team carries out the validation or verification activities objectively and professionally.

### Review

- An independent review confirms the accuracy and impartiality of the results.
